Partnership with a trusted pioneer

Benefit from our extensive experience of more than 20 years and our internationally acclaimed reputation.

Diverse opportunities

We have a range of partnership opportunities that you can benefit from, regardless of your skill set or background.

No charges or hidden fees

All Deriv partnership programmes are free to join. There are absolutely no charges or hidden fees to worry about.

From traders to partners

Deriv offers diverse partnership opportunities. Whether you're a trading expert, a community leader with an online presence, or a developer looking for market-leading products that are trusted around the world, the Deriv partnership may just be the next step up for you.

Affiliate and IB programmes

Our flexible partnership programmes allow you to earn commissions from promoting our trading platforms or enjoy turnover-based commissions.

Payment agent

Reach hundreds of traders on our platform looking for ways to fund their accounts through local bank wires and e-payment methods.

API developer

Develop your own trading application using Deriv APIs and start collecting commissions on clients' trades made on Deriv.com using your app.

Affiliate programme

Start off as a Deriv affiliate and earn up to 45% lifetime commission. This is your entry into our successful referral programmes with prompt payouts.

Choose a commission plan

Revenue share

Earn based on the monthly net revenue generated by your clients.

Net revenue	Commission
≤ USD 20,000 per month	30%
> USD 20,000 per month	45%

Turnover

Earn based on each contract's payout probability.

Probability of return	Commission
0-19.999%	1.25%
20-39.999%	1%
40-59.999%	0.75%
60-79.999%	0.5%
80-94.999%	0.25%
95% and above	0%

CPA (EU only)

Earn based on each successful referral.

You earn **USD 100** when a referred client successfully deposits a one-time or cumulative total of **USD 100** into their Deriv account.

This plan is available exclusively for EU-based clients.
